In the future we will attempt to collect either deposits or payment in full, for all functions including bush dances. If you have put your name down to attend, and you cannot do so, please let either the trip leader or the function organizer know in enough time so as bookings can be cancelled. Failure to do so, will mean forfeiture of your deposit or payment of that ammount not already received.

Our response to the Kid's Page recently has been nothing short of excellent, which is making the judging a very difficult task, but who's complaining, it's great to see the kids getting something out of the the magazine. Anyhow it's time to get back to work on the Dyna,

See you at the meeting.

Dave Heard.

P.S. I am wrecking my S.W.B. most parts available except the running gear.

# PORT PUZZLER No. 10

Ho Hum. The Beith creature is really starting to show his colours. For the second time in three months this genius has cleaned up the opposition and won the Port Puzzler. Although not a world beater when it comes to spelling, he certainly comes up with the correct quotations. As Ken was the only entrant with 22 correct answers he qualifies for another bottle of Skipping Girl Vinegar.

THE CORRECT ANSWERS WERE:-

- |                                    |  |
|------------------------------------|--|
| 1. 8 bells on a ship's watch       | 12. 29 days in February each leap year |
| 2. 4 aces in a deck of cards       | 13. 15 red balls on a snooker table    |

| 11. 6 strings on a guitar          | 22. 12 signs of the zodiac             |

NOW FOR THIS MONTH'S PUZZLER:-

Listed below are clues to names of Victorian Football League Players all of whom were on the 1988 Final Lists. Your job is to name the players and their clubs. The spelling may not always be correct, but the sound of the players name should match the meaning of the answer.

Here are 4 examples:-

CLUE	PLAYER	CLUB
1. Hurts	Harmes	Carlton
2. Bird value	Duckworth	Essendon
3. Pursuing a heavyweight	Huntington	Richmond
4. You may find one of these on Liala's neck	Hickey	Nth Melbourne

As usual, we don't expect anyone to find all the answers, but send in what you can. They may just be enough!!

## WHEN THE GOING GETS TOUGH

**STOP PRESS!**  
**TOYO BLITZES WYNNS SAFARI**  
Congratulations to Pie Pfitzner - first privateer to the finish of the gruelling Wynns Safari and first to finish on standard road tyres. Pie ran the complete rally on one set of six Toyo Open Country tyres - the tyres that are available to you now from your Toyo hi-tech tyre dealer.

Aggressive, deep block tread patterns provide outstanding tolerance to hard work, while the special profile reinforced side walls resist cuts and damage and reduce vehicle ride harshness.

With steel breaker construction and special tread compounds for puncture resistance and long wear, Toyo tyres are tough.

They are designed to immediately cope with all surface conditions from city driving to rugged open country rock-climbing traction.
