PRESIDENT'S REPORT

Hi everyone,

I hope that you enjoy reading this month's edition of *Free Wheeling* magazine.

As most of you would be aware, as at the time of publication, the current State of Emergency has been extended at least until 16 August 2020. Stage 3 restrictions have also been reintroduced. This means that we have necessarily had to suspend or cancel some trips that were previously announced on account of these restrictions and in the interests of the health and safety of all of our members.

It naturally follows that Four Wheel Drive Victoria has similarly announced that this year's snow permit scheme for Mt Skene has been cancelled. We remain hopeful that Club trips and other events might be able to resume in small/reduced group sizes as we approach the start of Spring.

We will be hosting our next virtual General Meeting and our first ever virtual Annual General Meeting on 5 August 2020. It would be great if members could participate in these meetings as the latter will involve some changes in the composition of the current Committee.

On that front, after 2 years of service as your Club President and several years' service in other Committee roles, it is my intention to step down and not to renominate for a further term. I would like to thank the current Committee and all of you for your support during the term of my Presidency, particularly in light of the unprecedented circumstances that we currently find ourselves in.

Remember that all financial members are able to nominate (or be nominated) for a Committee position. I encourage anyone that is looking to take up a position, or to join the Committee for the first time, to do so - it is a very rewarding experience and a great way to show your support for our wonderful Club.

Take care, keep safe and remember to keep in touch with one another through our Club Facebook page.

Steve Pitcher
